Dear Mayor Jordan,

On behalf of Director, Eric C. Brown, please find attached the Cooperation Agreement package for your Municipality regarding the Community Development Block Grant (CDBG) Urban County Qualification.

As you may know, the U.S. Department of Housing and Urban Development (HUD) Notice: CPD-17-03, issued on April 12, 2017 and expiring on June 30, 2018, includes the year in which specific urban counties are scheduled to go through the qualification process. As such, Prince George's County is in the process of requalifying its entitlement status as an urban county to receive Community Development Block Grant (CDBG) and HOME Investment Partnerships (HOME) grant funds during Federal Fiscal Years 2018-2020 from the U.S. Department of Housing and Urban Development (HUD). It is the County's intent to use the grant funding, in part, to undertake eligible community development and housing activities that will primarily benefit low- to moderate income individuals and families residing in Prince George's County.

Your municipality may elect not to participate with Prince George's County during the Federal FY 2018-2020 qualification period; however, you must notify the County and the HUD Field Office in writing **no later than June 12,**

2017. Conversely, if your municipality chooses to continue participating under the County, formal notification, including the executed agreement, is due back to the County **no later than June 30, 2017**.

The attached package includes:

1. Letter to Municipality regarding the Cooperation Agreement from Prince George's County Executive (PDF)
2. Cooperation Agreement and Legal Certification (PDF)
3. Certification of Cooperation Agreement (PDF)
4. HUD Notice CPD-17-03 (PDF)

Hard copies of the complete above-referenced package are also being mailed to your office. Please note that DHCD staff will contact your office to ensure that you have received this time-sensitive notice and to ascertain your decision.

Thank you for your support in this matter. Please let me know if you have any questions or require additional information.

Best Regards,
